## **Camouflaged Chameleon Challenge**

You are a predatory bird and have 5 minutes to stalk your prey! Find as many chameleons as you can hidden throughout the classroom! Tally your total as you go along.

Total # of chameleons found:		

1. Which type of camouflage do you think was the best at hiding the chameleon? Why do you think this type of camouflage made it difficult to see the chameleon?

2. Which type of camouflage do you think was the least successful at hiding the chameleon? Why?
