Samurai Training Manual

You are tasked, individually or in groups of 2, to create a training manual on how to become a samurai warrior in ancient Japan.

Your manual <u>will need to include:</u>

- step-by-step instructions on how to get from everyday citizen to samurai.
- Some tips and tricks throughout.
- Illustrations/images will be helpful to emphasize points made.

Also, you will need to <u>convince</u> your reader (potential future samurais) <u>how important samurais are to ancient Japan's society and culture.</u> Make the reader feel inspired to become a samurai.
